

NATIONAL MILL DOG RESCUE

donate • volunteer • adopt • foster • support

National Mill Dog Rescue's mission is to rescue, rehabilitate, and rehome discarded commercial breeding dogs and to educate the public about the cruel realities of the puppy mill industry.

Puppy mills are commercial breeding facilities where dogs live in tiny wire cages their entire lives. Typically the dogs are provided little food, water, minimal if any vet care, no exercise and no human contact. Dogs are bred cycle after cycle and then are either killed, auctioned off, abandoned or relinquished to a rescue group. Many people do not realize that most pet shop and Internet puppies come from puppy mills.
